

POLICY ADOPTION

The board shall give notice of proposed policy changes or adoption of new policies by placing the item on the agenda of two regular board meetings. The proposed policy changes shall be distributed and public comment will be allowed at each meeting prior to final board action.

The final action taken to adopt the proposed policy may be approved by a simple majority vote of the board at the second regular meeting. The policy will be effective on the later of the date of passage or the date stated in the motion.

If a majority of all the members of the board of education vote to do so, the requirement to consider a proposal at two scheduled meetings may be waived to permit specific action to be taken after one reading of the proposal if notice of the pending action has appeared in the published agenda.
