

## REVIEW OF ADMINISTRATIVE REGULATIONS

The Superintendent has responsibility for carrying out the policies established by the board.

When necessary, it shall be the responsibility of the Superintendent to develop administrative regulations to implement the board policies. The regulations, including handbooks, will be reviewed by the board when specific state or federal laws require the board to do so or when the board or superintendent considers such approval desirable.

The administrative regulations will be available no later than the first regular board meeting after the adoption of the board policy unless the board directs otherwise.
