

SUPPORT STAFF UNPAID LEAVE

Unpaid leave may be used to excuse an involuntary absence not provided for in other leave policies. Unpaid leave for support staff must be authorized by the superintendent. Any unused Personal Leave days must be applied to such absences rather than including them as Unpaid Leave.

The superintendent shall have complete discretion to grant or deny the requested unpaid leave. In making this determination, the superintendent shall consider the effect of the employee's absence on the education program and school district operations, the financial condition of the school district, length of service, previous record of absence, the reason for the requested absence and other factors the superintendent believes are relevant in making this determination.

If unpaid leave is granted, the duration of the leave period shall be coordinated with the scheduling of the education program whenever possible, to minimize the disruption of the education program and school district operations.

Whenever possible, classified employees shall make a written request for unpaid leave, through the Superintendent prior to the beginning date of the requested leave. If the leave is granted, the deductions in salary shall be made unless they are waived specifically by the superintendent.
