

STUDENT TRANSFERS IN

Children shall be accepted for enrollment in all grades of the school system at any time upon presentation of acceptable certificates of record from their former school and upon presentation of acceptable proof of their legal residence in the district. It shall be at the superintendent's discretion to decide what constitutes acceptable proof of residence.

In addition, nonresident students meeting requirements of the open enrollment laws and the Nonresident Students policy may transfer to this district for a minimum of one year with limitations in accordance with state law.

Students must present evidence of physical exams, immunizations and other requirements as stated by other policies of the district.

Students expelled from their previous school who have not completed the terms of expulsion will only be enrolled following a vote of the board. As a condition of enrollment, the board may require attendance in an alternative school, class, or educational program until the terms of expulsion are completed.
