

## STUDENT ABSENCES - EXCUSED

Regular attendance by students is essential for students to obtain the maximum opportunities from the education program. Parents and students alike are encouraged to ensure an absence from school is a necessary absence. Students shall attend school unless excused by the principal of their attendance center.

Student absences approved by the principal shall be excused absences. Excused absences including documented illness shall count as days in attendance for purposes of addressing excessive absenteeism.

Students whose absences are approved shall make up the work missed and receive full credit for the missed school work, within guidelines of the student handbook. It shall be the responsibility of the student to initiate a procedure with the student's teacher to complete the work missed.

Students who wish to participate in school-sponsored activities must attend school for *one half day* the day of the activity unless permission has been given by the principal for the student to be absent.

It shall be the responsibility of the parent to notify the student's attendance center as soon as the parent knows the student will not be attending school on that day. The principal may request evidence or written verification of the student's reason for absence.

It shall be the responsibility of the superintendent, in conjunction with the principal, to develop administrative regulations regarding this policy.
